SIR,

Adverting to your letter No. 8267/C.R.B. dated, 14th June 1938, forwarding for report and return, petition from one N.Dwarakanath, praying for being absorbed in the Drill Instructor's post in the Govt. High School, Tumkur for the reason that he had once on a previous occasion been recruited in a temporary vacancy of Drill Instructor in the Govt. High School, Madhugiri, I have the honour to state that the rule that recruit would be unit etc., was considered applicable only in respect of vacancies in Middle and Primary schools for which approved lists are - received but as per your recent letter No. 5646/C.R.B. dated 25-1-1938, the rule should be made applicable in all cases, (i.e. appointments for which there are approved lists and those w which are advertised etc.,) till candidates who are once appointed in such vacancies are absorbed in subsequent vacancies. However, the case of N.Dwarakanath is considered in connection with the vacancy of a Drill Instructor in Tumkur High School and he is appointed in the post referred to.

His representation received with your letter cited above, is returned herewith, as desired.

In this connection I request you to inform me if -

vacancies,(P.T.

vacancies in High Schools also should not be advertised when there are displaced recruits, that is, when there are candidates, who have once acted in similar vacancies and whose appointments have been terminated when the respective vacancies have ceased.

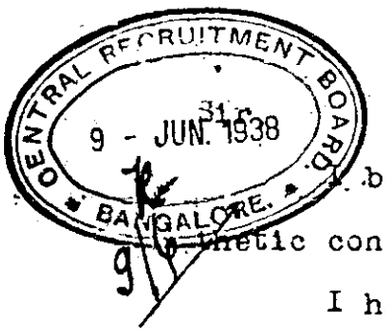
To

The Secretary,
Central Recruitment Board,
Bangalore.



I beg to submit my humble representation for your sympathetic consideration and favourable orders.

I have taken special training in Physical Culture and Drill and have won a good name as a wrestler as could be seen from the various trophies that I have won and the certificates enclosed. I belong to Yadava community very sparingly represented in Government service.

In view of the above qualification, I was appointed as a Drill Instructor in the High School at Madhugiri in September 1936 through the C.R.B.(Vide Memo copy enclosed No.A.1.3257-369/35-36 of the Deputy Director of Public Instruction, Mysore), in special vacancy No.122 of 36 advertised in the Mysore Gazette dated 3rd September 1936.

I learn that according to Circular No.1481/C.R.B.6-35 dated 29/30th August 1935, in advertised vacancies, a candidate once appointed becomes a probationer in the unit and should be continued in subsequent vacancies of the same kind and class occurring in the unit, until he is permanently absorbed. But it is very unfortunate that I am not given the benefit of this standing order.

I beg to invite kind reference to special vacancy No.586 of Drill Instructor, Govt. High School, Tumkur, which has been advertised in the Mysore Gazette dated 2nd June 1938. I pray tha the provisions of the said G.O. may kindly be ordered to apply to my case and myself appointed in this vacancy.

Nothing venture, nothing have' means that we cannot expect large profits, unless we are willing to run the risk of losing something. This saying is often used as an argument in favour of ~~gra~~ gambling. because the gambler by running the risk of loss obtains the chance of gain. But although we cannot expect great profits with out the risk of loss, it does not follow that it is reasonable to risk our money on the gambling table. Gambling takes a large amount of valuble times, and the excitement of it exhausts the brain more than most kinds of brain-work. Surely it must be clear that to waste so much time and so much brain-power without the certainty or even the probability of adding to one's wealth is the height of folly, even if we leave out of account the bad effect that gambling has upon the moral character.
